

 For teachers

Meet Lenny

Your source for **custom lessons & interventions** for your students

Lenny Learning helps teachers and school support staff quickly create **ready-to-use, evidence-based lessons and interventions** for students.

Educators use Lenny for:

-  K-12 classroom lessons and handouts
-  Special education resources
-  IEP aligned resources
-  Behavior interventions
-  Mental health support
-  Small-group curriculum
-  Academic interventions
-  MTSS supports

How Lenny works:

-  Describe your students and needs
-  Lenny creates **materials you can use immediately**
-  Refine and customize with Lenny as needed

Everything is **editable** and **designed to fit real classrooms** and counseling offices.

Lenny is for **teachers, counselors, interventionists,** and **anyone supporting students.**
